Chapter 29.5: The Divine Triad's Ultimate Troops (2)

The Divine Triad's ultimate troops and their exact numbers are as follows:

1. Apostles of God:

Number: Hundreds of thousands

Description: Born from primordial light, these angelic beings have six wings and wield spears or one-edged swords. They serve as governors of all realms and are primarily deployed at the frontlines.

2. Dark Apostles:

Number: Hundreds of thousands

Description: Born from primordial darkness, they have bat-like wings and cat-like eyes. Equipped with black adamantine armor and trisulas, they manage rear lines and act as tamers of dimensional refugees, complementing the Apostles of God.

3. Heavenly Soldiers:

Number: Billions

Description: Born from the World Tree's fruits, these soldiers are of divine and angelic nature, with white skin, white hair, and either two to four wings. They wield one-edged swords or spears and are under the direct command of the Divine Triad. Apostles of God and Dark Apostles can borrow them.

4. Shadowkins:

Number: Millions

Description: Created by Sung Jin-Woo from the lesser fruits of the World Tree (high humans, high elves, and high dwarves), they live in the Shadowverse Universe and are allied with the Dragonkins.

5. Dragonkins:

Number: Millions

Description: Created by Sung Su-Ho from the lesser fruits of the World Tree (high dragons, high drakes, high wyrms, and high wyverns), they inhabit Draconis Lux and are allied with the Shadowkins.

6. Shadow Lords:

Number: Tens of billions

Description: Materialized shadow soldiers created by Sung Jin-Woo, these soldiers possess black hearts, can reproduce, and inherit the Shadow Monarch's abilities, allowing them to create their own shadow armies.

7. Fiery Dragon Lords:

Number: Millions

Description: Fiery dragon shadow soldiers created by Sung Su-Ho, possessing dragon hearts. They inherit both the Shadow Monarch's and Dragon Monarch's abilities and can create their own armies.
